

## PK (Sing-Along)- by [churien](#)

[To the tune of Downtown]

When you're online and your HP is above fifty  
You can always be  
PK-ed  
When you've got gold all the PK-ers and the merchants  
Seem to notice you  
PK-ed

Just listen to the chat telling you to bank your money  
Linger on global chat where the PK-ers are also lurking  
How can you lose?

Their levels so much higher there  
You can forget all your battles, forget all your steps

So be PK-ed  
Things will be bad when you're  
PK-ed  
No more health points for sure  
PK-ed  
Every PK-er's waiting for you

Don't hang around and let your health regen more  
There are PK-ers oh no  
PK-ed  
Maybe you know some bounty hunters to go to  
Where they will PK your PK-ers  
PK-ed

Just listen to the criticism of the PVP system  
You'll be voting on their suggestion threads before someone makes another  
PK-ed again

Their levels so much higher there  
You can forget all your battles, forget all your steps

So be PK-ed  
Where all their levels are high  
PK-ed  
Waiting for you tonight  
PK-ed  
You're gonna be alright now (PK-ed)  
PK-ed  
PK-ed

And you may find somebody kind to help and send cheese to you

## PK (Sing-Along)- by [churien](#)

Someone who is just like you and needs a gentle hand  
To guide them along  
So maybe I'll see you there  
We can forget all our battles, forget all our steps

So be PK-ed  
Things will be bad when you're  
PK-ed  
Don't wait a minute more  
PK-ed  
Every PK-er's waiting for you
