

TOP SNEAKY: Not for Mike-by [\[CCG\] Kiban](#)

Why do we all play this "game?"

What's the point of it?

There's not much to do

Step, battle, then step some more

Maybe do some quests

I guess that's okay

Not all games are triple A

...This one's a low C

There is just one thing

Left to say about this game

You should uninstall

I'm just kidding, Mike

No don't bean me I'm sorry

Don't you like haikus?
